

Every day, America's military and civilian agencies work to achieve our country's goals and safeguard its interests. As the government's leading procurement provider, GSA supports their efforts with a wide range of innovative product and service solutions, all from a single source. No matter what your mission might be, GSA is here to help.

For more information, visit gsa.gov/atyourservice or call (877) 472-4441.

Technical Expertise

Acquisition Management

Financial Management

Project Management

... and much more.

When your organization needs IT and professional services, GSA answers the call. GSA combines acquisition, project management and financial resources to deliver customized, and scalable solutions throughout any project's life cycle. We make sure your requirements are met on time, within budget, and at reduced risk. For access to a full range of qualified specialists on a short- or long-term basis, quickly and efficiently, trust us.

We are GSA. We're here to help.

For more information, visit gsa.gov/aas/source or call (877) 472-4441.

10,000+ Properties

At or Below Per Diem

Flexible Cancellations

Added Amenities

Brand Loyalty Points

Same hotel. Better perks. Best rate.

Wherever your mission takes you, FedRooms delivers the best government hotel rates available. Hotels that provide FedRooms rates are fire safe and FEMA certified, and the rates themselves are at or below per diem and continually audited, so there are no unadvertised fees or hidden costs. Also, with FedRooms, you can still collect your hotel brand loyalty points.

We are GSA. We're here to help.

For more information, visit www.gsa.gov/fedrooms/source or contact the Help Desk at (800) 226-1741.

Distribution

Deployment

Warehousing

Maintenance

Supply Chain Management

Transportation

... and much more.

The deployment of supplies and equipment plays a vital role in government. But finding the right solution to support your logistics needs can be a challenge. GSA provides easy access to everything from distribution, deployment and warehousing to transportation services and supply chain management. Schedule contracts help reduce costs, save time and minimize risks while providing the flexibility for you to maintain control over the procurement process.

We are GSA. We're here to help.

For more information, visit gsa.gov/logworld/source or call (877) 472-4441.

Environmentally
Preferable Products

Compliance with EO 13423 and EO 13514

Sustainable Facilities & Workspaces

Comprehensive Professional Energy Services BPAs

...and much more.

When it comes to environmental compliance, you need a reliable source. That means having a partner who can save you time and money. Enjoy the flexibility and choice to meet your purchasing requirements and minimize risks. Whether your mission involves improving energy and water efficiency to meet federal guidelines for sustainable buildings or procuring bio-based, recycled and EPEAT-rated products, GSA is here to help. Our pre-competed, on-demand contracts make it easy to access expert environmental and energy management services and buy energy-efficient, earth-friendly products.

Recycling through reuse

Low cost personal property solutions for your agency

Comply with federal requirements

Greatest ROI for taxpayers

Meeting today's mission requirements includes using excess property as the first source of supply. GSA offers solutions that enable government entities to dispose of and obtain excess property ranging from common place goods to specialized equipment. Using GSAXcess®, an online system that records, tracks and controls the worldwide inventory of excess property, customers can obtain items that are no longer required by the holding agency to meet federal mandates and save hundreds of millions of taxpayer dollars.

We are GSA. We're here to help.

Find out how you can register to browse and select surplus federal property at **gsaxcess.gov**.

Linguistic Analysis

Translation

Interpretation

Sign Language

Section 508 Compliant Language Services

Training

...and much more.

Linguistic Services are critical to the fulfillment of many agencies core missions. But finding the right solution for language-related needs can be a challenge. GSA provides easy access to linguistic services both overseas and stateside, including contractors with security clearances and specialists from leading commercial providers. Our unmatched blend of industry and contracting expertise and flexible, best value Schedules contracts are uniquely suited to reduce costs, save time and minimize risks while you maintain control over the procurement process.

We are GSA. We're here to help.

For more information, visit gsa.gov/language/source or call (877) 472-4441.

Core HR Services

Temporary Staffing

Training

Program & Project Management

... and much more.

We live in challenging times. When it comes to managing your workforce, you need a reliable source. That means having a partner who can save you time and money. Enjoy flexibility and choice to meet your purchasing requirements and minimize risks. GSA's pre-competed, on-demand contracts make it easy to access resources ranging from employment screening to equal opportunity programs, emergency staffing, social services and specialized training.

We are GSA. We're here to help.
